Bachelor of Design in Architecture, Overall Cumulative GPA: 3.71

Professional Experience

Architectural Intern, *Kirk Weng Architects*, Coral Gables, Florida

May 2025 – August 2025

- Contributed to the design of various commercial and residential projects by conducting site visits, creating detailed architectural drawings, and producing sketches.
- Developed blueprints for a client's guest home and had meetings coordinating design objectives.
- Analyzed documents regarding zoning and building code.
- Ensured the organization of blueprint files, documents, and records.

Sales Associate, *KARE Miami*, Doral, Florida

June 2024 – August 2024

- Engaged with customers to understand their specific needs and preferences and built strong relationships with clients.
- Maintained in-depth knowledge of product lines, including materials, styles, and trends, to better assist customers.
- Assisted in planning and execution of monthly mixers, where I served guests drinks while promoting new product lines.
- Performed the majority of job responsibilities in Spanish

Teaching Assistant, *University of Florida*, Gainesville, Florida

August 2025 – May 2026

- Assisted professors in planning class structure.
- Advised students on architectural drawing, concept development, and architectural modeling.
- Facilitated teacher-student communication to ensure learning objectives were met.

Extracurricular Activities

UF Mode Design Chair, Gainesville, Florida

- Established Creative themes for fashion shows.
- Coordinated with venues to ensure seamless event execution.
- Led meetings with designers, models, and makeup artists—including fittings, creative meetings, and practices—to foster a unified creative vision.
- Supported advertising efforts to promote the shows effectively.

UF Architrave Club, Member

- Assisted in designing spreadsheets of student work for the school's architecture magazine

UF Council of Architecture Students, Member

-
